Saint of the Week

St. Francesco Antonio Fasani (1681 – 1742) lived his whole life as a loving, devout, and atoning man. He entered the Conventual Franciscans in 1695, and 10 years later taught philosophy to younger friars, served as guardian of his friary, and eventually became provincial minister. When his term of office ended, St. Francesco became master of novices and finally pastor in his hometown of Lucera.

Known throughout his various ministries as being loving, devout, and penitential, he was also a well-known confessor and preacher. St. Francesco was a loyal friend of the poor and worked tirelessly to find ways to support them. He was a mystic with such a profound prayer life and supernatural gifts that he was known to levitate during prayer. He was canonized in 1986 by Pope John Paul II.
