Butte Community Suicide Prevention Committee

An important part of Butte Central is helping and serving others. Two years ago we sponsored a community wide project that raised money for a new roof for St. Lawrence Church. It was very successful. Our project this year is "Coins for the Carousel."

We're inviting the people of Butte and surrounding communities to join us by donating a dollar. The Carousel, with horses hand carved by many local volunteers, is under construction at Stodden Park.

As many know, the original carousel was part of the beautiful Columbia Gardens located below the East Ridge.

It was one of the favorite rides at the Gardens and was enjoyed for many years by children and adults. Everyone was devastated when the Gardens closed in 1973 and the original carousel burnt shortly after.

Now in 2016, the people of Butte are trying to rebuild the magic of the Columbia Gardens. It's part of Butte's history. It would not only create a ton of fun for us, but would bring great memories back to the adults. It would provide a safe place to play and make new friends, it would be enjoyed by visitors, and would create new jobs.

In closing this is not a Butte Central fundraiser. We are just lending our hearts and our name to help build new memories for all of us and for generations to come. Spread the word to family and friends who were lucky enough to have experienced or have been told of Butte's own little piece of paradise.

We hope you will become part of the new memories.

For more information you may call Pam Olson at 494-8128 or 490-9107. Your tax deductible donations can be mailed to Butte Central Elementary, 1100 Delaware Street.

What is in a name? Why is it so important?

Those of us who are parents know how much time we spend thinking and discussing about what name to give our newborn children. It is the same with the church. Recall the Scripture passage about how the animals were named in Genesis. Changing our name is also a way to mark an important moment in our lives. Think of Saul who persecuted the Christians. His name was changed to Paul when he realized that Jesus was the Son of God. And even our popes change their names and take on a new name; Jorge Mario Bergoglio became Francis.

The entrance antiphon for the feast of the Most Holy Name of Jesus gives a glimpse into how important Jesus' name is:

At the name of Jesus, every knee should bend, of those in heaven and on earth and under the earth, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father.

The history of the Holy Name of Jesus goes back to the earliest years of Christianity. How many of you remember the symbol IHS? It is a monogram. It comes from the Greek word for Jesus. This reverence continued into the medieval devotions promoted by St. Anselm of Canterbury.

It was only during the council of Lyons in 1274 that the Church added the date to our liturgical calendar. There are some writings that call the Holy Name of Jesus a healing ointment for the soul.

So the next time you think of someone, recall the long and important history of Jesus' name and why we hold, with such reverence, Jesus' holy name.
